

## By This Name

Maybe you've heard, "I'm glad you've found your way to God but everyone finds him in different places and religions." In a world where "spirituality" has become popular and knowledge of God has all but disappeared, how do you share the good news of Jesus Christ?

*By This Name* explains the Bible's core message to people who have no knowledge about the Bible. Using the architecture of the gospel of John, the book clearly sets apart the God of the Bible from all other gods. It establishes the authority of Scripture and gently compares the biblical worldview to eastern worldviews. It ties together key Old and New Testament stories to reveal the identity of God and the nature of sin, with the aim of answering two questions: Who is Jesus and what is the story of the cross and the tomb all about? It helps a person understand clearly the Bible's core message.
