

The Lamb AudioBook CD

How do we explain the gospel to children in a way they can understand? How can we explain their need for a Saviour without watering down the details? How can we hold their attention long enough to explain what the Bible is all about?

The Lamb AudioBook takes children on a journey through the heart of the Bible's message. Starting with the creation of the universe, two readers explain key biblical concepts: Who is God? What is God like? What is sin? Where did evil come from? Why do we need a Saviour? The audiobook concludes with a clear explanation of the identity of Jesus and his amazing provision as our Saviour.
