

Worldview Rethink CURRICULUM BOX WITH THE STRANGER ON THE ROAD TO EMMAUS

Worldview Rethink is a course any believer can lead. Using “self-learn” instructions, a leader can take someone who has no knowledge of the Bible and give them the foundation and context necessary to have a clear and objective understanding of the gospel message. In just 16 hours, a person can learn the biblical worldview.

Appropriate for these audiences:

- Adults & teens: Understood by children as young as ten, but geared for adults and teens.
- For those who know little about the Bible; ideal for those who come from a background influenced by Christianity, whether Catholic, Protestant or Orthodox.
