

The Tabernacle FURNITURE SET

The Tabernacle Furniture Set contains 1:10 scale models with relevant pieces electroplated in gold. The set provides a helpful visual when teaching on the Tabernacle. Each item is carefully designed according to the guidelines laid out in Scripture. As the word *glory* carries with it a concept of weightiness, each article in this set has physical weight, helping reinforce the concept of God's glory. This set comes in a sturdy and padded carrying case and is included in the Worldview Rethink Gold Kit.

Brings clarity and understanding to the significance of the Tabernacle articles.
