Worldview Rethink provides a structure in which you can present a clear gospel message to your friends, family, youth, neighbours or coworkers. *The Worldview Rethink Course* emphasizes clarity. The gospel is contextualized by telling the story from creation to Christ—just as Jesus taught the disciples on the road to Emmaus. In just 15 hours, a participant can understand the biblical worldview in a way that makes profound sense.

Features:

- **Thoroughly biblical:** Students directly connect with hundreds of Bible verses from creation to Christ.
- **Proven method:** The method is solidly biblical, built on four common-sense principles of learning used in school and university classrooms every day.
- **Highly visual:** Visual aids and video clips bring *The Course* to life, increasing comprehension and retention. There is no time to be bored!
- **Easy to use:** You don't have to be a teacher to lead *Worldview Rethink*. *The Course* enables both the gifted teacher and the non-teacher full expression of their God-given abilities. Just follow the "self-learn" instructions.
- **Sensitive to participant:** *The Course* is objective—there is no arm-twisting. The emphasis is on students gaining a clear understanding of the gospel.
- **Adaptable, flexible:** Size and venue can vary from one-on-one in a home to hundreds in a church.
