

## The Lamb PowerPoint

How do we explain the gospel to children in a way they can understand? How can we hold their attention long enough to explain their need for a Saviour without watering down the details?

*The Lamb* engages children with its full-colour illustrations, taking them on a journey through the heart of the Bible's message. Starting with the creation of the universe, the book explains key biblical concepts: Who is God and what is he like? What is sin? Why do we need a Saviour? The book concludes with a clear explanation of the identity of Jesus and his amazing provision as our Saviour.

This PowerPoint set turns *The Lamb* into a teaching and presentation tool. It contains the complete text and pictures of *The Lamb*.
