the COURSE

Everyone needs to stop  
for a few hours and think about life.  
There are big questions that need good answers.

Are there solutions to everyday problems?

Can there be meaning or purpose in life?

Is it possible to know why we are here and where we are going?

Why is there so much suffering and death?

Is there life after death?

The unexamined life  
is not worth living.

—Socrates

There is an ancient book that answers all of these questions, and more. You need to know for yourself what it says. Join WORLDVIEW RETHINK and take a journey through the world's bestseller—the Holy Bible.
