

Basic Bible Knowledge

80 Questions

This quiz does not test a person's general Bible knowledge. Rather, it reveals one's understanding of biblical foundations specifically related to the message of the Gospel. This includes the reliability of Scripture, the identity of Jesus and the purpose for the cross and the tomb. Many key stories, concepts and trivia are not addressed, as they are not central to understanding the Gospel.

The quiz is for your benefit, to give you an accurate assessment of what your understanding is. Don't guess at answers. With multiple choice questions, more than one answer may be correct.
